MINIMALISM

A DOCUMENTARY ABOUT THE IMPORTANT THINGS

"You're dedicated, you're creative, you're innovative. You have a sincere desire for mankind—the very people who the wolves of Wall Street fear. And to me, you're removing yourself from the war. If you're really talking about minimalism, the ultimate minimalist is a hermit, a recluse, or a monk—and to me, that's not gonna change the world. You know what I'm saying? You're the only threat to that system."

— Clyde Dinkins
